

## AGENDA ~ Clinton Cultural Council Meeting

May 7th, 2020 ~ Thursday 7:00 P.M.

Holder Memorial

210 Church Street

Clinton, MA 01510

Due to the Corona virus we called this “Special Meeting” as we know that some of the grantees are not able to complete their projects in the time frame they anticipated offering them.

Our hope is to discuss the possibilities of changing the guidelines for those grantees who have been funded through the Clinton Cultural Council. This can possibly be done either as an extension of time or a modification of the granted projects.

Also, discussion regarding new Co-Chairs taking over for the 2020 – 2021 year in the fall of 2020.

Due to the requirements of our state of Massachusetts, we will be the only people in that building at the time and will be following the guidelines necessary.
