

## **Clinton Cultural Council**

**2015 - 2016 Grant Cycle**

**2<sup>nd</sup> Voting Meeting**

**When:** Monday, November 16, 2015

**Where:** Community Room, Clinton Parks & Recreation Building  
560 High St., Clinton, MA 01510

**Time:** 7:00pm

**Agenda:**

- Review community feedback about CC process gathered Summer 2015; revise any guidelines as desired by council going forward.
- Second review of all applications which made first round for Clinton-centered events primarily.
- Review of proposed suggestions for monetary awards.
- Establish when acceptance and rejection letters will go out.
- Determine if there is anyone sitting on the current board who can step into the Chair role for the next grant cycle as Yoanna must step down for at least a year this coming March.
- Note: The local council is not considered viable if there are less than five active members. The opportunity to award this public money would simply be lost if we don't meet this criteria by the state. Also with any given public meeting, a quorum must be met in order to function properly (50 % plus one; currently with 7 members we need 4 in attendance to be in compliance).
