TOWN OF CLINTON
NOTICE OF PUBLIC HEARING

The Clinton Community and Economic Development Office (CEDO) will hold a public hearing on Monday, November 30, 2020, at 6:00 P.M. on behalf of the Board of Selectmen. The hearing's purpose is to discuss a proposed amendment to the Town's FY 2017 Community Development Block Grant (CDBG). The Town intends to amend this grant to increase the percentage of assistance available for individual projects under its Commercial Property Improvements Program (CPIP) activity. This change would eliminate the current matching requirement by the property owner of 25%, thereby increasing the Town's grant contribution to 100%. This proposed change does not affect the total amount of public funds available for a project, which is \$90,000.00.

Due to the continuing Covid-19 pandemic, the hearing will be held on-line via Zoom at 6:00 PM, Monday, November 30, 2020. Any person or organization participating in the live on-line session will be afforded an opportunity to be heard. Comments may be made at the hearing or in writing to the CEDO before the hearing. The Town encourages a broad spectrum of participation by residents and other interested parties. For further information or to submit comments, email pduffy@clintonma.gov, or telephone 978-365-4113.
